**Education:** The Rev. Sgt. Rtd. Dr. Elijah Onyango Standslause Odhiambo is a multifaceted person who integrate virtues, theory and practice in his lectures. He has vast security experience, An Anglican priest, lecturer, motivational speaker and researcher in International and National Security for Sustainable Peace, Geo-politics, Governance, Development, Diplomacy and International Relations, Foreign Policy, Conflict Management & Transformation, Terrorism & Counter-Terrorism, Violent extremism, Radicalization and Psycho-Social Support Services. My previous roles continue to strengthen my abilities in collaboration and innovation, including a focused attention to detail and accuracy. Currently a lecturer in the department of Arts, Governance and Communication Studies, Bomet University College, Kenya. I hold Ph. D in Diplomacy &International Relations (DIR),, Msc. in Conflict Resolution and Management both from Masinde Muliro University of Science &Technology, Kenya., Post Graduate Certificate in Disarmament for Development Open University of Catalonia-Barcelona, Spain., Bachelor of Divinity and Diploma in Theology from St Paul's University, Kenya and a trained professional mediator.

**Experience:** I worked for Kenya Defence forces (KDF) from 1994 to June 2016 years. Was a lay Leader in the Church from 1999-2001 and ordained in holy orders in 2002. I have worked on part time basis for medium and higher learning institutions from 2010. I have a passion and have trained different actors in managing conflicts. I am results-oriented, high-energy, and have hands on using Statists and Non-Statist Actors in initiating and following up mediation processes, intra and inter conflict resolution among adversarial groups, organizing conflict resolution trainings, monitor change and translate into appropriate planning and action in line with good understanding of conflict transformation. Have and continue researching and teaching in these critical areas. Have been in the academia for more than 10 years during this time have engaged in conferences presentations of which others became policy papers, done consultancies and training for diverse actors. Has researched and published widely in these sub-fields with over 60 peer-reviewed publications. Have supervised and continue to mentor undergraduate and postgraduate students and candidates. My global academic impact according to Google Scholar citation at July, 2024 is 263, h-index 10 of 8 and i10-index of 6. I have taught and continue teaching at all levels (Certificate to Ph.D). The Kenyan government honoured me with three medals, involved in community outreach and a member of professional organizations. I communicate in Luo, English and Kiswahili.

**Organizational Competencies:** Working in the University where we have people from different ethnic background, culture, religious and political ideology and having worked in Kenya Defence forces for 22 years with fellow soldiers and civilians from different ethnic groups and yet working/worked harmoniously demonstrates my Organizational Competencies.

**Professionalism:** Professionalism has three characteristic: expertise, social responsibility and corporateness. I have always sought to balance the tension between processes, measures and activities that promote quality enhancement at the same time as responding to expectations, targets and systems defined by internal and external stakeholders. Professionalism is ultimately about making improvements to my services to God and humanity. I have done this by lecturing, consultancies and training and being trained to enhance others and my capacity.

**Team Work:** A teamwork environment promotes an atmosphere that fosters friendship and loyalty. Our close-knit relationships has motivated us as employees in BUC to work harder, cooperate and be supportive of one another. Individuals possess diverse talents, weaknesses, communication skills, strengths, and habits. I have always synergized others talents and skills for the betterment of the institutions I work in and with for example I have extensive authorship with others.

**Planning and Organizing:** As a methodical Strategic Planner and Organizer I use my analytical skills and dedication to creating the most efficient plan to develop strategic methods that add to the vision, mission and our niche which is Green University for Sustainability of Bomet University College.
